Devon Partnership NHS Trust Special Charity raises funds to make a difference to the people we care for. We give hope to and support those with mental health and learning disability needs.

The funds you raise will help to inspire hope for the future, provide ways to discover new opportunities and support people to pursue personal goals and ambitions.

**THANKYOU!**

# Before you start to fundraise

## Step 1...

Set your fundraising target

## Step 2...

Give yourself plenty of time to organise.

If you are holding an event check with DPT and local event calendars to ensure you don't clash!

## Step 3...

Make sure you have researched any licenses or insurances that you might need

## Step 5...

Consider how you will promote your fundraiser!

Think social media, posters... see ways we can help for more info...

## Step 4...

# Stories from....

"We have used Charitable Funds for a range of activities, including outreach sessions from the Royal Albert Memorial Museum (RAMM) in Exeter; art workshops facilitated by Double Elephant Print, which have been used to create some wonderful new artwork for the hospital environment; animal assisted therapy and musical performances in a range of different music styles."

"Although we organise many 'in-house' activities at Franklyn, having access to Charitable Funds has enabled us to enhance the range of therapeutic activities we can offer our patients."

"People who use our services have reported that they find these activities beneficial in terms of lifting their mood, feeling more connected to other people, trying something new, staying connected with the world beyond the hospital, and for some, feeling re-motivated to engage with activities on discharge."

"For those with dementia, these activities can be very affirmative, with a focus on people's strengths rather than what they can no longer do. They provide opportunities to share with others in the moment, and often stimulate associations to past interests and skills and the telling of wonderful stories."

# Ways we can help...

# How to return funds raised...

# JustGiving™

The most effective way to ensure your funds are returned to DPT Special Charity safely and securely is by setting up a fundraising page on:  
[justgiving.com/devonpartnership](https://www.justgiving.com/devonpartnership)

**JustGiving** is easy to use for yourself and your donors and allows for the automatic reclaim of gift aid from UK tax payers.

Please consider promoting regular donations as part of your fundraising efforts. This is extremely beneficial to the Charity and easy to arrange via **JustGiving**.

If you would like to pay the money you have raised to us directly via cash, cheque or bank transfer please contact us on 01392 208671 or [dpn-tr.charitablefunds@nhs.net](mailto:dpn-tr.charitablefunds@nhs.net) for further details.
